

# The Friends of the Chesapeake Beach Railway Museum

Presents

## Bayside Chats 2012

**FREE**

### “Chesapeake Beach Oysters & You”

Presented by

**Mr. Keith Pardieck**

Sunday, February 12th, 2012

2:00 pm

Northeast Community Center

Meeting Room 1

4075 Gordon Stinnett Rd

Chesapeake Beach, MD 20732

This is a opportunity to learn about the ongoing efforts of Chesapeake Beach to help restore the Bay through oyster cultivation and reef restoration. Come learn why this project is so important and what you can do to help.

The Town of Chesapeake Beach in partnership with the Maryland Department of Natural Resources is providing a fun and collaborative opportunity for the citizens of Chesapeake Beach to help improve local water quality by restoring the Chesapeake Bay through oyster cultivation and oyster reef restoration.
